

Good afternoon Titan parents. Tomorrow the students will begin the scheduling process for next school year. Your child will receive the Program of Study, transcript, a schedule card, and Individual Graduation Plan. So our parents can hear the same information as our students, we will have the scheduling video posted on our website as well as on each Grade's Google Classroom page. Wednesday at lunch we will have an electives/dual enrollment and AP fair so the students can visit the tables to meet with students and teachers to determine classes that best suit their interests and needs. Thursday, from 3:00-6:00p, counselors will be available to answer any questions you or your student may have. Just come to Student Services during 3:00-6:00 on Thursday. Please have your student turn in their completed and signed schedule card and IGP to Student Services by Tuesday, March 8. We will begin calling students in for 1 on 1 scheduling over the next few weeks once the schedule cards are turned in. Please call your child's counselor with any questions. 985-624-5046. Thanks so much and always Win the Day!
