

Senior Parents!

We're nearing the end of the school year and graduation is around the corner. TitanTV is beginning to put together the Class of 2022 Senior Video. [This video](#) will be aired at Project Graduation to celebrate the accomplishments, memories, and future of our Titans. Please send in photos or videos to Mrs. Williams at [Sydney.Williams@stpsb.org](mailto:Sydney.Williams@stpsb.org). If we do not get enough footage sent in, we will not be able to have a senior video this year. This sentimental Titan tradition is important to our students, so please encourage your student to participate.
