

Good morning Senior Parents. I have some fantastic news! Due to the Governor lifting some of the restrictions during yesterday's press conference we are able to have 100% capacity at graduation. Anyone wanting to attend graduation, may attend, without a ticket. Tickets WILL NOT be distributed to graduates tomorrow. However, due to the 100% capacity the mask mandate WILL BE in place. Be sure to wear your mask into the gates and during the graduation ceremony.

I hope this helps celebrate your graduate a bit easier. Thank you for your patience throughout this process of planning graduation. Please call me with any questions at 985-624-5046. And as always, win the day.
