

Good morning parents. We have some important events coming up that I would like to make you aware of.

1. Oschner Healthcare will be administering the Pfizer vaccination to anyone ages 12 and older. The event will be held in the Cafeteria of Lakeshore High School Monday, August 2 from 9:00am-11:00am. Please be aware that if your student is vaccinated he or she will NOT need to quarantine if they are Contact Traced due to being in Close Contact with a COVID positive person. Appointments are preferred but NOT required. Please call 844-888-2772 or go to MyOchsner.org to schedule your appointment. The vaccination authorization form is located on the Lakeshore Website under COVID19 Information. Please feel free to call the school with any questions.
2. Next, we want your students ready to start strong on the first day of school so we are encouraging to pick up your Chromebooks before school starts. We will distribute Chromebooks on Tuesday, August 3. 11<sup>th</sup> and 12<sup>th</sup> grade will pick them up from 4:00-5:30 and 9<sup>th</sup> and 10<sup>th</sup> grade will pick them up from 5:30-7:00. Wednesday, August 4 9<sup>th</sup> and 10<sup>th</sup> grade can pick them up from 12:00-1:30 and 11<sup>th</sup> and 12<sup>th</sup> grade can pick them up from 1:30-3:00. Distribution will take place in the Library. Please go to the Lakeshore website and sign the Chromebook Agreement form before you come. There is a place for both the parent and student to sign. In the Agreement packet is the Damage Coverage form. You can pay the \$20 with cash, check or MyPayments plus.
3. Lastly, I promise to stay in communication with you regarding COVID protocols and the start of school. As soon as I receive some updated information I will send a robocall.

Please stay positive for your students and reassure them we will do everything we can to have a safe and wonderful school year. If you have any questions please don't hesitate to call 985-624-5046. Thank you so much for your support and as always, Win the Day!
