

Good afternoon Titan parents. This is April Jarrell, Principal of Lakeshore High. We are off to a great start to the school year and have lots of things going on. Open House was initially scheduled for Wednesday, August 25. We don't want you to miss out on the important information communicated so each teacher will post a video in your student's Google classes, which communicates everything discussed at Open House. The videos will be posted no later than 6:00pm on Wednesday. You will need to access your student's Google Classroom to view the video. Have your student share with you how to access the classes OR have your child sit with you and access those classes for you. There will also be a video posted from administration so please watch that video as well.

Makeup picture day is this Friday the 27th. Also, this Friday the Titans is hosting a football Jamboree. Titans play Slidell at 7:30. Come out and support our team.

Also, anyone interested in getting involved with Project Graduation, the kickoff meeting will be held Monday, Aug 30 at 6:00pm in the Library.

Thank you for your continued support of Lakeshore. I look forward to continuing a successful year. And as always, Win the Day.
