

Hello Titan families. Tomorrow is the 1st day of school and we are so very excited to have everyone back. I wanted to give you some information for tomorrow:

-If your child did not pick up a chromebook, please visit our school website, complete the Chromebook Agreement form and send with your child tomorrow. We will continue to distribute them during 1st hour.

-Please let your child know Breakfast and Lunch are free for the entire school year. Please be sure to complete the 'free/reduced' lunch form sent home on the first day of school, even though it's free for all this year.

-All seniors will attend school all day tomorrow, even if they have short day or internship. If they are morning short day they will report to the Library during the short day time.

-Due to safety precautions we are asking students who drive or are a car rider, get dropped off at 7:20 in the mornings. Student who arrive to school earlier than 7:20 will sit in the cafeteria, courtyard or mall. Also, water fountains are still closed. We do have filling stations for water containers they bring from home and we have water bottles available for students.

Thank you for your partnership in your child's education and as always, win the day!
