

Good evening Titan parents. I apologize for the call on a Sunday afternoon but I wanted to give you all some important information. First, thank you all for helping support the schools protocol. This made for a smooth transition into homeroom. Please communicate the following to your students. All will be announced over the intercom when they get to school as well:

-we will have a walk-by homeroom in the morning for your child to drop off any of the "first day paperwork" they received Friday. Also, if your child was not at school Friday, the homeroom teacher will have it available for pickup during that walk-by.

-any students who have not received a Chromebook will have the opportunity to receive one Monday. Please go to the school's website and print out the Chromebook use form and send to school with your child.

-Tomorrow we will have class meetings and remind students of the dress code and other school rules and procedures. Please be sure you are familiar with the dress code, located in the student handbook, so you can make sure your child is school ready so their day is not disrupted with dress code issues.

-This announcement is for Short Day and Internship Seniors only: If you are 1st hour short day, second hour starts at 8:24 and if you are a 1st and 2nd hour short day senior, third hour starts at 9:23. Morning interns can report to school for 2nd hour which starts at 8:24.

Thank you so much for your support. Please email or call me with any questions and as always, win the day!
