

February 15, 2019

Hi parents,

This is Christian Monson, Principal of Lakeshore High School.

Today at 4:00 pm at Lakeshore High, our girls soccer team will look to punch a ticket to the state championship with a semi-final match against Neville High School. Admission is \$7 and gates will open at 3:15. I encourage everyone to come out and support our girls this afternoon and help fill up Titan Stadium. I'm also asking you guys to do the same on Saturday as our Boys Soccer team takes on Woodlawn of BR in the semi-finals at 3:30. Admission is also \$7. What a historical weekend it could be for Lakeshore High and our community to send both our boys and girls to the State Championship in Lafayette next week. Please come be a part of history!

Good luck to our boys basketball team as they look to clinch the outright district championship tonight night at Pearl River. Game starts at 7:00.

Tonight and Saturday night, the Lakeshore Talented Theater will be presenting Steel Magnolias in the Blackbox theater. Tonight's show will start at 6:30 following the girls soccer match. Present your ticket stub from the game and receive a dollar off admission Friday night. Students are \$6 and adults are \$12. The show on Saturday night will begin at 6:00 pm.

In March, all parents, with the exception of seniors, will be receiving a ballot in the mail to vote for or against mandatory uniforms. There are examples of what the uniforms would look like in Student Services with a sample ballot. The information will also be available on our website tomorrow afternoon. The ballots will be mailed out March 14.

Scheduling for incoming Juniors (current Sophomores) will begin Monday, February 18. There will be a parent meeting next Tuesday, February 19 at 6:00 pm in the cafeteria. We will discuss very important Junior year topics. Please bring you child's Course Description Guide and the other information they received at their scheduling meeting as these items will be discussed. Be prepared to ask questions as the counselors will be advising all of the students one-on-one beginning Tuesday, February 19.

If you missed any of this, no worries, I will put the transcript of my notes on the school website this morning. It is great to be a Titan with all of the wonderful things going on right now. Can't wait to see you at Lakeshore this afternoon. Thanks for all of your support and Win the Day!
