

Robo Call Script – 4/19/21

Good afternoon Lakeshore. I hope you all are enjoying the much needed sunshine. I am calling about a few important announcements:

Project Graduation needs volunteers for our event May 2nd. Parents of all grades are encouraged to help. Project graduation will be holding their last meeting Monday April 19 at 6:00 in the library. If you can't make the meeting please reach out to us on Facebook.

Also NorthShore Ice Company and Nan's Cafe are donating a portion of sales this coming Tuesday April 20th. Take a night off cooking and help Project Graduation.

Currently, all 9-11 graders are LEAP testing and will be doing so for the next few weeks. Please make sure your child is getting to school on time, bring his/her chromebook and charging the Chromebook the night before.

Also, Senior parents, anyone 4 years old and up will need a ticket to enter graduation. Also, senior parents:

-If you have money in your lunch account, you can request a transfer or a refund.

- Transferring to a sibling at the same school can be handled through Mrs. Kathy James after April 22.

-Transferring to a sibling at a different school requires a transfer request form that can found on the schools website and sent to central office, instructions are on the form.

Refunds also require a form send to central office and a check will be sent to guardian. Any questions regarding lunch accounts can be directed to Kathie James at 985-629-3123.

Please let us know if you have any questions. And as always, WTD.
