

JUMP START SUMMER PROGRAM

HVAC INTRODUCTION

This course is designed to provide information needed to prepare individuals to enter the Air Conditioning and Refrigeration Industry. Topics include: Basic safety, fire prevention and health, inventory control, stock management, licensing, certification requirements, and basic business management practices. Students take the **EPA Section 608** exam at the end of the course.

Classes will be held at **Northshore Technical Community College in Lacombe** on Tuesday and Wednesday, June 6 – June 26 from 9:00 AM to 2:00 PM. Students will earn half a Carnegie credit and dual-enrollment credit through Northshore Technical Community College.

The course is limited to 15 students. In the event that more than 15 students are interested, recently graduated seniors and rising seniors will be given priority seating. A lottery would be conducted for remaining seats, per federal guidelines.

June 6-July 26,
2023

9:00 AM – 2:00 PM
Tuesday and
Wednesday

Recently Graduated
Seniors and Rising
Seniors will be given
priority seating.
