# JUMP START SUMMER PROGRAM

## ADVANCED JAVASCRIPT, FUNCTIONAL PROGRAMMING, AND WEB DEVELOPMENT, LEVEL 2

Operation Spark's High School to High Wage program provides technical training in computer programming for high school students. Students will learn how to build websites, video games, and mobile apps. They will also explore high-wage career paths in software development and earn an industry based certification (IBC) in **Fundamentals of JavaScript, Functional Programming, and Web Development, Level 2**.

The course is limited to 12 students. In the event that more than 12 students are interested, recently graduated seniors and rising seniors will be given priority seating. A lottery will be conducted for the remaining seats, per federal guidelines.

**This course is open to students who have already earned the Level 1 certification.**

**See Mrs. Milam in Room 108 or contact her at courtney.milam@stpsb.org if you are interested in receiving more information!**

---

June 1-30, 2023
